Solutions

Speridian strategies and solutions are always designed to yield measurable Return On Investment (ROI) for such critical implementations as:

- **Contact Centers** - Comprehensive analysis, planning, architectural, development, integration, testing and deployment of all CRM services
- **Health Care Systems** – Members, Providers, Case Management, Claims, Customer Service, Billing, Grievances and Appeal Solutions
- **Mobile Applications** – Custom Sales Force and Field Personnel Applications for *access anywhere* for maximum flexibility
- **Financial Services Systems** - Mortgage systems, trend and tracking analysis, tax and payment products
- **Global Money Transfer ASP** - Consulting, development and QA services to build Pay Lynxs, Inc., a successful ASP that hosts international money transfers from the U.S. to other countries for some of the world's largest banks

Speridian experts develop dynamic solutions for changing regulatory environments to help our clients comply with:

GLBA	HIPAA	SOX	FERPA
OFAC	SAR	GPEA	FIRMR

Clients

CGI AMS (Centers for Medicare & Medicaid), H&R Block, MD Anderson Cancer Center, Excellus Blue Cross Blue Shield, University Physicians Health Plans, Duke University (Duke Clinical Research Institute), TIAA-CREF, Springboard, TREO International, Victaulic, AHMSI, Visage Mobile, Sprint Canada, RPM Visual Media and Commonwealth of Kentucky... to name a few, and the list is growing.

Partnerships

Speridian partners with organizations that provide best-in-breed technology innovations. Speridian is a Microsoft Partner, and in 2009, Speridian was contracted as an Oracle Consulting Services (OCS) Partner. **In 2010, Oracle chose Speridian to co-develop business intelligence data models** -- Oracle Retail Data Model (ORDM), Oracle Communications Data Model (OCDM), and Oracle Healthcare Data Model (OHDM). In 2011, Speridian became an Oracle Platinum Partner and Oracle Siebel Certified Platinum Partner.

Staff Augmentation & Recruitment

Speridian's Staff Aug practice addresses every aspect of contractual staffing:

- complete end-to-end Resource Program Management
- round-the-clock recruitment services
- identification and screening of highly-qualified, talented candidates to match your organization's hiring specifications
